

Fish Feeding Methods

Name: _____

Which tools can pick up each of the different sized “food” pieces?

Food	Tool
<p data-bbox="233 485 331 527">Large</p> 	
<p data-bbox="215 890 347 932">Medium</p> 	
<p data-bbox="237 1297 331 1339">Small</p> 	

The *tongs* and *clothespeg* grab the food, like fish **biting** food with their teeth.
The *pipette* and *baster* suck up food, like fish using **suction feeding**.
The *spatula* and *strainer* can trap food, like fish using **filter feeding**.
